

Dear Warm Up Participants,

We are looking forward to a great Winter Warm Up! Here are some details that we wanted to pass along to you so that you can prepare.

We will be indoors most of the time but we will have some outdoor time as well, including walking between buildings, so bring layers of clothes. You can check out the forecast [HERE](#). Attire will be comfortable casual all weekend.

We will be staying at YMCA Camp Chandler, about 10 miles north of Wetumpka, AL. Directions can be found at www.ymcacvc.org/warmup. Do **NOT** trust GPS or other online Maps – They have taken people an hour out of the way before. Please consider that civilization is about 20 minutes away, so please eat supper before you arrive. We will start at 8 PM Sharp and would like to have everyone there as we begin.

Registration and our Opening Session will be in the Dining Hall in the center of camp. Please check in there and then move into your sleeping areas.

If you have any travel problems, call the Warm Up hotline at **334-220-9622**.

Here is a full list of what you need to bring:

- Sleeping bag (or sheets and blanket)
- Pen and note pad
- Toiletries
- Towel
- Bible
- **Close Toed Outdoor Shoes!!!!!!**
- Comfortable Clothes (Something WARM!)
- Rain coat
- Blue Ridge Pictures to share
- Positive attitude!

We will begin with an opening session at 8 pm. There will be a couple of hours Saturday afternoon for some one on one time, throwing the football, climbing tower, etc. You will be free to depart on Sunday morning as early as needed. We will have three meals on Saturday provided and a breakfast snack on Sunday that will be available early in your sleeping hall for you to grab before you leave.

Special notes:

- Before we leave Warm Up there will be a time for you to meet as a delegation and discuss how you are going to build your delegation. Take a minute to discuss your goals

for how many people you would like to bring next year as well as what you will do to recruit with anyone that may not be there this weekend.

- Be prepared to:
 - Do something silly on the spot (this is a laid back weekend and we expect teens and adults to be just that....laid back!).
 - Act in a responsible manner that would make your grand ma (or your CEO) proud (there will be teens here, remember that before you speak!)
 - Be an ACTIVE participant. This is not a spectator event!

Thanks and Best Wishes!
